

PROUD to announce the newest addition to the Pacific NW Properties portfolio

26 NORTH BUSINESS PARK

26 NORTH BUSINESS PARK, purchased in 4Q19, is our latest industrial acquisition. The project features an existing, fully-leased 150,000 square foot distribution center, as well as surplus developable land which will house a future PNWP multi-tenant business park.

Located on top of Sunset Highway (the north side of Hwy 26), just to the west of Century Drive in the thriving Hillsboro submarket, we decided to give this project an eye-popping, 'can't-miss-it-as-you-drive-by' paint job, inspired by one of our favorite shoes, the Air Max '95, as well as paying homage to the early days of Pacific NW Properties where every one of our buildings had a teal stripe around it!

We are extremely excited to be expanding our footprint in the sunset corridor, one of our favorite submarkets within the Portland Metro Area.

In addition to developments in Salem and Vancouver slated for 2020, Pacific NW Properties is actively pursuing acquisition of similar well-located industrial buildings, land for future development, multi-tenant business parks, single tenant industrial buildings, vacant industrial buildings, sale/leasebacks, and other acquisition opportunities.

Please contact us with your ideas. We look forward to working with you on our next project!
